

Fire Alarm User Instructions

If fire alarm sounds:

1. Do not panic, stay calm.
2. If you see smoke or fire, exit building.
3. Do not silence a fire alarm panel if a fire exists.
4. When sure it is a false alarm you may silence the fire alarm panel.
5. Find the fire alarm panel or the annunciator.
6. Press the silence button. Then press the numbers 1 1 1 1 . The fire alarm will silence in 1 to 2 seconds.
7. Please call to cancel the alarm. **1-800-341-9292** please have the site name, address and account number ready when you call.
8. **Do not reset** the alarm until you have contacted a first trust alarm technician @ **1-831-636-1470**.

Please, always feel free to contact
Us @ 1-831-636-1470 24 hours a day,
7 days a week.

Thank you, for choosing first trust alarm.
